**White Spruce** is one of our big specialties. Ideal soil conditions, clean culture and **Little Tree** efficient methods of production produce **White Spruce** with healthy blue foliage and fine big roots. It is a rapid grower, extremely hardy, and has a compact, conical shape with silvery green foliage which is in some trees almost as blue as the Blue Spruce.

**White Spruce**  
4 to 5 ft.  
\$3.50 each  
in lots of 50.
